

# Leadership Chippewa Falls

## Class of 2021-2022

*Educating, Motivating and Developing Chippewa Falls' Future Leaders*

### PURPOSE

Historically, the Chippewa Falls area has been fortunate to have excellent leadership from its businesses and various other segments of the community. Our area continually experiences issues due to the constant influence of change and growth. How these issues are managed depends to a considerable degree upon informed, skilled and concerned community leaders. Leadership Chippewa Falls offers a way to ensure that the tradition of strong leadership continues in the Chippewa Falls area. This program will acquaint participants with a broad understanding of community issues and civic challenges facing our community. Each month participants will spend a half day learning about one sector of the Chippewa Falls community. They will have the opportunity to meet key leaders in these areas, discuss the challenges within the community, and determine how these challenges might be resolved.

### COMMITMENT

Leadership Chippewa Falls consists of eight half-day sessions and a recognition dinner. **Attendance at the sessions is required** for both the success of the program and the benefits participants will receive from the program. If your schedule will not allow participating in all of the sessions, please consider applying at a later time.

### VALUE

Employers will receive multiple benefits from their investment in Leadership Chippewa Falls.

- Greater personal vision of civic leadership for employees
- Enhancement of employee's problem-solving skills
- Company exposure
- Professional networking opportunities
- Cost effective, efficient training
