

Leadership Chippewa Falls

Educating, Motivating and Developing Chippewa Falls' Future Leaders

PURPOSE

Historically, the Chippewa Falls area has been fortunate to have excellent leadership from its businesses and various other segments of the community. Our area continually experiences issues due to the constant influence of change and growth. How these issues are managed depends to a considerable degree upon informed, skilled and concerned community leaders. This leadership program offers a way to ensure that the tradition of strong leadership continues in the Chippewa Falls area. This program will acquaint participants with a broad understanding of community issues and civic challenges facing our community. Each month participants will be exposed to one sector of the Chippewa Falls community.

COMMITMENT

Leadership Chippewa Falls consists of eight half-day sessions and a recognition dinner. **Attendance at the sessions is required** for both the success of the program and the benefits you will receive from the program. If your schedule will not allow you to attend all of the sessions, please consider participating at a later time.
